

Vehicle failures with no backup plan, creates an interesting evening for the Kings players and certainly the Kings staff. In a little more than two hours prior to kickoff the Kings staff was notified by Piasa FC that their Van was broke down on the way into KC. The Kings staff had some decisions to make.

Piasa FC (Collinsville, IL) had their vehicle break down just outside of Kingdom City on I-70. They had a 15 passenger van that was rented, and a second vehicle, a car. So Piasa FC sent, 7 players on ahead in their car and the Kings staff had to put together a good team in less than two hours. Todd Nguyen of Legacy FC was called to put together a group of guys to mix with 7 Piasa FC players, 7 KCW open tryout canidates and a few local players to participate in the game. And boy did he come through.

The Kings played Legacy FC. The final score of the game was 24-4 in favor of KC. KC led 18-0 before Legacy FC netted 2 goals in a row and then the Kings got the final 3.

Reality is the team made up of Legacy FC and other local players, probably had more talent then Piasa FC. Piasa FC will recieve a fine for not playing the game. The Kings Staff wants to thank all of the players that participated on such a short notice. Below is a list of players who participated.

The Kings will face their biggest challenge of the year this Saturday March 1st at 7pm @ the KC Soccer Dome against the Springfield Spirits of Springfield Illinois, with the winner taking home the PASL Midwest Regional Championship, and the right to head to D.C. with a chance to fight for the PASL International Championships. The Kings and Spirits have spilt the season series.
